

Tyre & Rim Guard

Your car's tyres and rims don't only make it look great, but they're a very important safety feature for you when you're driving. You must protect them – keep them in good condition. But we know the roads out there aren't always great. If your rims or tyres have been damaged, we'll repair or replace them without hassle, depending on the extent of the damage. So, do your thing. Cover yourself against the cost that comes with making sure your tyres and rims are good as new – and stay safe on the road.

Fine Support

Tyre & Rim Cover comes with Fine Support* – it alerts you to illegitimate fines, guarantees you discounts, and provides you with a no-fuss new payment facility.

Benefits

- All repairs come with a three-year guarantee.
- Fine Support* is included.

**Please note that Digicall is now providing the service for Fine Support on behalf of your insurer.*
